

Visual Designer / Front-end Developer

RYAN LOTTERING

ryanlottering@gmail.com www.ryanlottering.com Tel. 805.428.2270

EMPLOYMENT

February 2010 - Present

Design Intern

ZURB Inc

Was responsible for creating and managing iterations for ZURB.com. Worked under CEO Bryan Zmijewski providing visuals and HTML/CSS

April 2010

Designer | Front-end developer

Verify.com

Provided visuals as well as HTML/CSS with some Javascript for ZURB's newest user-testing app Verify.

April 8th 2010

Volunteer

ZURBwired 2010

Was a part of ZURB's annual 24 hour design marathon for a lucky non-profit in the Bay Area. Worked closely with the Marketing team providing Video key-notes, T-shirts, Name-tags, and more.

November 2009 - January 2010

Designer

myChurch.org

While working freelance I worked closely with the myChurch team, providing visuals and logo designs to be used thru-out the entire site. The site was recently awarded funding from FB-rev and has connected over 40k churches around the globe.

2008 - November 2009

Freelance Designer

Various

While attending Moorpark College in Ventura County I managed several clients providing E-mail Templates, web sites, logos, and print work for local companies and friends and family.
